

Division of Parole and Probation Victim Impact Notice

Victim name: _____ RE: Defendant Name: _____
 Address: _____ Case No.: _____
 City, State, Zip: _____ Incident Date: _____

The Division of Parole and Probation is conducting a pre-sentence investigation on the above-named defendant. It is our understanding that you were the victim of this crime. As part of our investigation, we attempt to determine: (1) What loss or expenses you suffered as a result of this crime; and (2) How you were affected by the crime itself.

Per Nevada Revised Statute, the sentencing court shall order the offender to pay restitution to you if you suffered a monetary loss as a result of their crime. The Division would request that you return the attached questionnaire **immediately, and provide documentation verifying your loss, if available, for consideration of restitution.**

If we do not receive the completed questionnaire back from you, we will assume that no loss has been incurred or you are not interested in receiving restitution. If no financial loss was suffered, we would still like you to express your feelings regarding the defendant and how this crime has affected you.

[NRS 176.015 §3](#) requires the court allow a victim to be heard prior to sentencing, opinions on the crime, perpetrator, the offense impact or need for restitution may be expressed. If you wish to address the court, you must contact the District Attorney's Office, _____, to arrange for your appearance.

The State of Nevada and the Division of Parole and Probation has included a free anonymous and confidential resource link available to the victim(s) 24 hours a day by phone or via internet to help the victim (s) be notified when the defendant has been released, transferred, escaped or has a court date/appearance. To register call toll free 1-888-268-8463. The services are available via the internet at www.vineline.com and then follow the instructions to register.

As a victim you are entitled to certain rights which are outlined in Marsy's Law Declaration of Rights. They can be accessed at the Division of Parole and Probation website [Victims' Bill of Rights](http://npp.dps.nv.gov/Home/Resources/Victim_s_BOR) (http://npp.dps.nv.gov/Home/Resources/Victim_s_BOR) page.

The State of Nevada has funds available to qualifying victims for compensation for injury, loss or counseling. For additional information, contact the District Attorney's Office.
